INSTRUCTIONS

Pack carefully. Put the complete projector and paperwork into a plastic bag. Package it in a sturdy cardboard box large enough to permit at least 3 inches of padding material on all sides, plus top and bottom. Ensure a tight fit. Seal all seams tightly with shipping tape.

Mark your return address clearly on the exterior of the box. We recommend you insure the package and use a shipper that can trace it if necessary.

Ship to us - call or e-mail first for instructions

When your projector is repaired, we can ship it to you anywhere in USA at competitive rates. Repair and shipping charges can be paid over the phone by Visa or MasterCard.

PayPal is also accepted.

Service only includes Inspect, clean, re-lube, and reline \$60.00

Estimate on other work at \$60.00 deducted on approval of repair.

All other work is \$60.00 per hour plus parts.

DESCRIPTION OF PROBLEM

THANK YOU!!!
